Sir,

Sub: Purchase of office furniture for the New Mangalore Public Health Division and its sub divisions - Estimate - Sanction - Regarding.

Ref: G.O.Ms.No.876 Health dated 3-3-1955.

-:o:-

I forward herewith an estimate amounting to Rs.5,100/- for the purchase of office furniture required for the Mangalore Public Health Division and two Sub Divisions and their respective offices for obtaining necessary sanction of the Government. The Division and sub divisions were formed on 23-5-1955 with reference to the G.O. cited above.

2. Estimate:- It is reported by the Superintending Engineer (Public Health) that much inconvenience has been felt in keeping the office functioning well due to lack of the required furniture. Hence the necessity for the estimate. The report to accompany the estimate explains the details of furniture required for these offices. I, however, enclose a statement showing the details of furniture and their allocation to officers. The Superintending Engineer also reports that Executive Engineer(Public Health), Mangalore had already placed orders on the Jail Department etc., for procuring essential furniture costing about Rs.4,700/= in anticipation of the Government approval to meet the urgent requirements.

3. I, therefore, request that the estimate referred to may kindly be sanctioned for Rs.5,100/- and also the action of Executive Engineer (Public Health) may be ratified in having placed orders in view of the urgency on the Jail Department without prior approval of Government.
